In this screen you can see 2 buttons; both of them are linked with the same menu.

In the screen's header we have the emmisor's data and in the tab "Legal" we could read all the legal rules about digital signed documents.

In the tab "Summary" we have all the general data, name, date and time.

In the tab "Document" appear all the document's updates since the first signed until the last.

The "Signatory" tab show us the name, Vat Registration Number, Personal Signer, Vat Registration Number of personal signer.

In "Date & Time", as the name suggested us, we can see the date and time of signature.

If we don't have move on panels and only want to be sure any data quickly we can follow the next steps.

At the top-right of document, you can see on button **"Signature Panel"**, if you push it appear a new menu at left of screen. If you put your cursor on line, you can check the entire data link with the line.
