

ATTENTION

INFORMAL VISITS

- **The use of PPE** (high visibility vest) is mandatory when accessing the facilities.
- You can request this PPE at reception, but remember to return it .
- **They must** always be accompanied.
- **Respect** internal safety regulations.

Acting in an emergency (fire, accident, etc.)

- Stay calm.
- **If you detect a fire** , give immediate notice and leave the place. Convey as much information as possible.
- In the event of an accident, help the victim in everything necessary. Immediately notify facility personnel.
- In the event of a general evacuation, follow the directions on the evacuation signs.
- Listen to the instructions of the personnel trained in evacuation.
- Once at the meeting point, report any incident that you consider relevant.

Thank you for your help and understanding
